

Helping Children Soar

**Groton Community Home Tour
November 21, 2009**

The Groton Community School (GCS) is a non-profit preschool and Kindergarten dedicated to serving children in Groton and surrounding communities. GCS focuses on the needs of every child in a loving and nurturing environment. GCS will be hosting their fifth annual Groton Community Home Tour on Saturday, November 21, 2009 with a snow date of Sunday, November 22, 2009. This fundraising event features local artisans and vendors demonstrating and selling their wares in select beautiful Groton and Dunstable homes.

The Home Tour program guide will be 5.5 by 8.5 inches and will be given to each person who purchases a ticket for the tour. The program will include descriptions of the homes and artisans. We are offering advertisement space to area businesses. An advertisement is a great way to showcase your company, generate new business, creates goodwill in the community and in most cases is tax deductible. We are expecting to attract easily over 400 people to the event this year!

The deadline for this opportunity is October 15. Our offering and its details are listed below. We thank you in advance for your consideration and participation! Please e-mail Krista Ingram at kdi@ingramhill.com if you have any questions.
