TIPS FOR THE DAY

How to Begin Your Tour

On the day of the event, stop by GCS after 9 a.m. with your ticket confirmation and we will provide you with your official tour guide booklet. The booklet contains important information about the tour, including profiles of each home, directions, and a list of artisans and vendors who are participating in the day's events in the homes and at GCS. Homes are open for touring at 10:00 a.m.

Make a Day of It

While enjoying your complimentary coffee and donuts at GCS, plan your day by selecting which home you would like to visit first and where your holiday shopping will begin. This is a self-guided tour, so you decide how you want to spend your day. Pre-paid boxed lunches can be picked up and enjoyed at GCS anytime after 11:30 a.m.

Holiday Shopping

Over twenty artisans and vendors will be participating in the Home Tour selling unique and one-of-a-kind items. They welcome cash and checks for on-site purchases. While at GCS, do not forget to visit the Bake Shop for delicious homemade treats and be sure to check out the Chance Table for an opportunity to take home one of the many donated items.

Parking

If you are planning to go on the tour with friends, we encourage you to carpool in order to alleviate traffic congestion at GCS and at the homes on the tour. If you do carpool, we ask that you do not park extra cars at GCS.

Thank You

For safety reasons and in consideration of the homeowners, please be prepared to remove your shoes or wear the slip-on shoe protectors provided in your Home Tour bag. No food or drinks will be allowed inside the homes. No photography or video is permitted inside the homes.
