

**Groton Community School Presents:
The 13th Annual Groton Community Home Tour
Saturday, November 18, 2017 (inclement weather: November 19th)**

As an important member of this community, we are reaching out to let you know of an exciting event happening this fall — the 13th Annual *Groton Community Home Tour*. The Home Tour, which showcases distinctive homes and a variety of vendors from our community, is Groton Community School's most important fundraiser and we didn't want you to miss the opportunity to showcase your business in front of hundreds of local residents. Groton Community School is a nationally accredited, non-profit organization that offers programs for children in their toddler years through Kindergarten.

Each attendee of the event receives a program guide, complete with advertisements from local businesses. An advertisement in the program guide endorses your business to all Home Tour visitors and participants, while supporting excellence in early childhood education. In addition, your company would be included on the Groton Community Home Tour website before, and after, the event for maximum exposure.

Last year, the Groton Community Home Tour welcomed more than **500 attendees** from Groton and the surrounding area. We anticipate that 2017's Groton Community Home Tour will draw an even greater number and hope that you will consider advertising in the 2017 Program Guide to support our school and promote your business.

Please see the advertising agreement for the options available to you as a local business owner; or go to <https://www.surveybuilder.com/s/BsnRv> to fill out our online agreement. Should you have any questions, please do not hesitate to contact us. Thank you for supporting Groton Community School — it is very much appreciated!

Sincerely,

Emily Crouse (480.459.7559) & **Dan Quinn** (617.429.9149)
