

## Building and Growing Our Future Together

### Forward Motion Insider Update - November 21, 2017

Dear Insider,

As we prepare to celebrate the Thanksgiving holiday this week, we'd like to extend our gratitude to you for being part of the GCS family. We are grateful that you are on this journey with us as we work to expand and enhance our school, so that young children in our community may learn and grow with us for many years to come!

This is traditionally a week of sharing - sharing of time, sharing of memories, sharing of meals, and more. In that spirit, we would like to share our **Forward Motion** Project video widely! We think you will enjoy hearing from some members of the GCS family as they reflect on where we have been and where we are going.

We're hoping to generate a lot of excitement for **Forward Motion** this week, and we need your help! This **Wednesday, November 22, 2017 is Groton Community School's Day of Sharing**. You can help us spread the word about **Forward Motion** by forwarding this email and/or sharing our webpage via all of your social media channels, including Facebook, Instagram, Twitter, LinkedIn, etc. Let everyone know you support GCS and the **Forward Motion** Project!

Please visit [www.GCSForwardMotion.org](http://www.GCSForwardMotion.org) to watch the video, see our latest plans, and read past issues of the Insider Update.

Thank you for all you do for the school, for **Forward Motion**, and for being a part of the GCS family. Warm wishes for a wonderful Thanksgiving holiday!

All my best,
