

## Building and Growing Our Future Together

### **Forward Motion Insider Update - January 4, 2017**

Dear Insider,

Happy New Year! I'm writing in my role as Co-Chair of Groton Community School's Forward Motion Campaign to thank you for your interest in and involvement with GCS and the campaign that is underway. The purpose of this message is to start a series of regular communications about the campaign's progress and to bring you up to speed as we embark on a new year.

Our campaign committees are working hard on ways to share our building renovation and expansion plans with many more families and friends who may be interested in fostering the future of GCS. We are excited to actively grow our circle of support through a variety of informational gatherings and peer-to-peer discussions, which will take place over the next couple of months.

As we move forward into 2017, I will keep you posted with regular updates about the Forward Motion Campaign in general, and about upcoming opportunities to learn more about our plans. We welcome your continued interest and participation in the campaign and encourage you to join us in spreading the word about Forward Motion.

Thank you for being part of this effort to help GCS flourish for many years to come.

All my best,
