

## Building and Growing Our Future Together

### Forward Motion Insider Update - April 26, 2018

Dear Insider,

It is truly an exciting time here at GCS! This month we kicked off the public phase of our \$3.85 million Capital Campaign, **Forward Motion**.

In addition to individual donors, GCS staff and **Forward Motion Campaign** volunteers are exploring many opportunities to engage the local business community, as well as corporate and private foundations. Applications to a variety of grant-making foundations are in process, with requests for funding of various aspects of the project, including such items as technology support, financial aid, and special furniture or equipment needed to enhance the new spaces.

As we accelerate the pace of our fundraising efforts, know that you play an integral role in the success of **Forward Motion**. There are many ways to become involved! Of course, YOUR investment in the Campaign is critical. You can deepen your impact by making an annual pledge for two, three, or even five years. Your gift may be doubled, or sometimes even tripled, by your employer through a matching gift program. Checking with your HR representative may uncover this opportunity to further support **Forward Motion**. Sharing information about **Forward Motion** with your social network is easy to do by visiting our [website](#), and creating buzz will inspire more people to invest in the Campaign!

I look forward to sharing further updates on **Forward Motion** with you in the coming weeks.

**DONATE to our [Forward Motion Campaign](#)**

All my best,

Debbie MacDonald, Co-Chair Forward Motion Campaign
