I realized some time ago that there was a demand for quality, handmade, local crafts produced right here in Massachusetts. People want quality, not mass produced merchandise shipped from overseas. With that, our business grew from humble beginnings. We make sure to put love into every stitch!

Kissacook Hill Crafts creates CPSC (compliant) children's and adult clothing and other crafts. Don't see what you're looking for? Just ask :) Custom orders welcome!

## **Trish Hampton | [www.trishhampton.com](http://www.trishhampton.com)**

From that, a nationally recognized business of unique dog collars, harnesses, leads flourished. Later, the family welcomed Finley and bow

ties, blossoms, and bandanas were created. All Trish Hampton products are created with quality, durability and style in mind.
