

Building and Growing Our Future Together

Forward Motion Insider Update - November 8, 2018

Dear Insider,

As the leaves change color and Autumn settles in, we enter the season of thankfulness with gratitude for our GCS families and friends. I wanted to report out to you the results of our Challenge Match which wrapped up on October 15. We are excited to say that 56 gifts and pledges were made totaling \$16,975. An additional \$2,850 in corporate matching gifts are being made as the result of three families' gifts. This \$19,825 subtotal is being matched by a generous group of donors, for a total gift of \$39,650 to the **Forward Motion Campaign**.

Thank you to everyone who participated. Whether this was your first gift to the **Forward Motion Campaign**, or an additional gift to help us achieve the Matching Challenge, **your** contribution is having **double the impact!**

The Campaign Committees will continue our work to inspire the much needed support to reach our goal of \$3,850,000. Then we can make the dream of the **Forward Motion** building update and expansion a reality for GCS children, families, staff, and our community.

We welcome your thoughts and participation on our committee. We are busy planning some fun new mini-campaigns to support **Forward Motion** and would love your help! To learn more or get involved, call us at 978-448-6179, or email me at the address below.

Thank you.

All my best,

Debbie MacDonald, GCS Trustee and **Forward Motion** Committee Member
