John Amaral
Board of Trustees President

It is a pleasure to work with the GCS administrators and teachers in support of their commitment to the education and well-being of the children enrolled in Groton Community School. I became a Trustee because of my strong shared belief in the school's mission. I enjoy the opportunity of living and working in the local community.

Randy Barron

Past GCS Parent*

I am a local attorney and proud parent of 2 GCS alumni. The teachers, staff, directors and trustees are so committed to the learning experience for each and every child, are so dedicated to the philosophy of the school, and so welcoming to all families. GCS is truly a "community" school that has benefited many families for many years. I want to be a part of seeing to it that GCS continues to thrive and serve the community's children for many more years to come.

Past GCS Board of Directors President & Past GCS Parent*

*When I first came to GCS I was pregnant with my two girls. I was so impressed with their first school experience, that I served on the Board of Directors for 5 years, and now serve as a Trustee. I wanted to be a part of and contribute to the school that was instrumental in preparing our girls for the future. Their transitions into outside school and other experiences were flawless because of that! I am a former attorney, and now a real estate broker for Keller Williams Realty, **and** my husband and I are enjoying time with our teenage twin girls.*

With GCS since 1985
Non-voting GCS Trustee and Member of Board of Directors, Past GCS Parent*

In my years at GCS, I have taught Preschool, Pre-K, Kindergarten, and served as Assistant and now school Director. I truly believe in the school's philosophy and embrace meeting the need for good early childhood programming that should be available to families and young children. I appreciate the talent and caliber of GCS teaching staff, feel privileged that my children were able to attend, and proud to be part of the GCS community.

Debbie MacDonald
Board of Trustees Vice-President

*Development Committee Chair
Serving as a Trustee since November 2012
GCS Alumna, Past GCS Parent*

I attended as a child, and my three children also attended GCS, forming many life-long friendships in their years at the school - with classmates and teachers alike. It's a pleasure to volunteer on behalf of GCS and its exceptionally talented and caring staff, who provide a warm and welcoming community to young children and their families. My roles on the Board include Co-Chair of Development Committee, Co-Chair of Annual Fund, and Co-Chair of the Forward Motion Capital Campaign. I have also volunteered for the Groton Public Library Endowment for several years and currently serve on the Board of Trustees at Applewild School.

David Moulton **Board of Trustees Member-at-Large**

*Finance Committee Chair & Development Committee

I have been active as a Trustee and also on the Forward Motion Steering Committee. As an educator and parent, I believe early childhood education is the MOST important phase of formal education. I really enjoy the high quality of education I see at GCS, including the passion, dedication and integrity of the staff (as well as parents). I am very impressed with what I've seen of the student outcomes to date, as well. I have taught in colleges and junior/senior high schools since the mid 1960s, specializing in music, music technology and acoustics, as well as being active as an audio engineer, an acoustician and an inventor/entrepreneur.

*I have a deep and lasting commitment to community building from my years of service volunteer experience. My experiences include being a Master Gardener in Washington and Massachusetts and my Board of Directors position at GCS, leading into annual fund organizing and implementation with the Groton Dunstable Education Foundation and Hollis Montessori School. My involvement with the GCS **Forward Motion Project** began as a member of the Strategic Building Committee (SBC) back in 2011, and it has cemented my commitment to GCS.*

Lisa Stafford **GCS Assistant Director, My Grown-up and Me Instructor**

*MA Philosophy, BS Computer Science, Math & Philosophy, Bachelor's Equivalence ECE
With GCS since 1995
Non-voting GCS Trustee and Member of Board of Directors, Past GCS Parent*

I felt "at home" from my very first experience as a GCS parent in 1994, and I started teaching at GCS the following year. I am still working at the school where my daughter attended 2 years of Preschool and Kindergarten! Groton Community School takes its middle name seriously, and I enjoy being a part of a dedicated, loyal, and caring community that continues to impact the lives of so many children and families! Outside of GCS, I enjoy walking, African drumming, and playing with grandchildren.

Steve Webber **Honorary Board of Trustees Member**

*Served as a Trustee since November 2012
GCS Alumnus*

As a GCS student in the 1950s, I have fond memories of my teacher Adelaide Torrey (Luca). I joined Board of Trustees because I wanted to continue to enhance the school for future generations. I offer the Board my experience in working with the local Groton community, and I have had fun working in technology since the dawn of computing.
